**Attention! Girls must have a current Physical Exam on file prior to trying out!!**

If your daughter makes the team, a parent meeting will be held on **Tuesday, December 8 at 5pm.**

Girls that are trying out should wear clothing suitable for playing volleyball (shorts, t-shirt, and gym shoes).

\*Girls that make the team and are involved in other activities that interfere with practices and games will split their practice time evenly between both activities.

\*Should your daughter become a member of the girl's volleyball team, the following would be expected

- Physical Exam (prior to try-outs), compliance with District 108 Extended Activity Code, compliance with coach's rules and expectations
- *District participation fee of \$120.00 (Free and Reduced Fees do apply)*
- Wear appropriate black or white volleyball shoes that will not be used outside of the gym
- Obtain solid black spandex shorts to wear as part of the uniform
- Attendance at all practices and games (season runs December-early March. Practices are Monday-Saturday with some practices early morning and other after school).

*\*Playing time and participation in practices and drills is made as equal as possible. Please know that this is a competitive sport, so playing time during matches will not be equal. As coaches, we make informed decisions regarding playing time during matches based upon a combination of ability, skill, statistics, effort, attitude and commitment for each girl.*

\*No matter what level of player, any girl that makes the team should expect to improve on her skills. Coaches will give continual feedback on what skills are correct and what skills or actions need to be changed. Players who make the team must be ready and open to change in order to be successful in the sport.

If you have any questions, please contact the coaches at Jordan.williams@pekin.net and Nicole.richards@pekin.net
